Plants/animals species on brink of extinct

†1902. SHRI JANESHWAR MISHRA: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether it is a fact that despite all efforts, the number of plants/animals species which are on the brink of becoming extinct, is increasing in the country; and

(b) if so, the total number of such plants and animals, State-wise/sanctuary-wise?

THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) Despite the increasing pressure on natural habitats of animals and plant species, there are no scientific population estimates available to suggest that there is an increase in the number of animal and plant species on the verge of extinction.

(b) Does not arise.
